MIDDLE SCHOOL PROPOSITION

The Regional School Committee has mailed to voters in the towns of Marion, Mattapoisett and Rochester a brochure advocating the building of a middle school and the extension of regionalization to include grades 5 through 12 instead of the present seven through twelve. The committee plans a 1,000 pupil school to accommodate grades 5, 6, 7 and 8. The school is estimated to cost $4,500,000 furnished and equipped. It is proposed that a bond issue be made to be retired in 20 years.

According to the figures furnished by the Regional School Committee, the building will probably cost each town the following (in 1970): Marion, $200,000*; Mattapoisett, $75,000 and Rochester $59,000.
*For the first 2 years Marion will pay 60% of the cost, Mattapoisett 22.5% and Rochester 17.5%. After that 2-year period, the cost would be apportioned half on the basis of state valuation of each town and half on the number of pupils that each town has in the school.

Informal meetings will be held on this issue where committee members will answer questions. The informal meetings will be held in Marion Town House on

ELEMENTARY SCHOOL STUDENTS TO PERFORM

Instrumental music students at Sippican and Old Hammondtown School are extremely busy preparing themselves for public performances which will take place shortly.

Citizens of Mattapoisett and Marion were privileged to see fine elementary marching bands on Memorial Day, Monday, May 26th. These groups were extremely well received in the parades and the young musicians give every indication of a strong desire to please you once again. It is hoped that a large number of townspeople will be on hand for some additional concerts in the member towns.

At Old Rochester Regional auditorium on June 3rd at 7:00 P.M. the students of Sippican School will present a concert entitled "Progressions in Music".

On June 6th at 7:00 P.M. at the Old Hammondtown School a similar concert will be presented by Mattapoisett pupils.

These are most ambitious and varied programs and promise to be very entertaining as

Lighthouse a Treat

NED'S POINT LIGHT OPEN
VISITORS SEE HISTORIC LIGHTHOUSE

The Stoughton Historical Society spent Saturday afternoon touring Mattapoisett as guests of Mr. George King of Pearl Street, Mattapoisett. Ned's Point Lighthouse was the first spot on the tour. Mr. King had arranged with Coast Guard authorities to open the structure for inspection by the group. Townspeople were also invited to take advantage of this rare opportunity and a large group was on hand. People who have lived in Mattapoisett all their lives finally had a chance to see what was behind that heavy wooden door. The interior proved to be wonderfully simple and practical. The wedge-shaped stone steps are built into the exterior stonewall (approximately 3 feet thick at the base). These wedge-shaped steps spiral, forming their own support and finish in one block of stone. At the top, a short ladder through a trap door leads to the light chamber and another door in the top base leads to the railing where a fine view of the harbor is to be had. A sizable group of people wound their way up and down this limited space with little fuss and no confusion, and it was an opportunity that was appreciated. Many thanks to Mr. George King, and to the Coast Guard.

Mrs. Young is director of the Youth Programs at the local YWCA.

Several of the graduates honored at the party will be leaving this country to visit families in their native land, and others are furthering their education in various parts of the United States.

As Project Director of the Community Senior Service Program, sponsored in New Bedford by the YWCA, Miss Jean Campbell, executive director of the YWCA, attended the 3-day Project Director's Conference in Washington, D. C. last week.

On Wednesday, the keynote speaker was Louis Ravin, Special Assistant for Older Workers, U. S. Department of Labor, who gave the "History, Concept and Development of the Community Senior Service Program". "Open Discussion of Project Director's Problems", including administration and training program, were held part of two days.

Richard C. Kugler, director of the Whaling Museum, will be speaker for the Weekly Luncheon Social June 4th. "The Role of the Whaling Museum in the New Bedford Community" will be presented by Mr. Kugler at 12:15 and 1 P.M. All women are cordially invited to have lunch in the dining room and share a pleasant hour with friends of the YWCA. Salad and sandwiches are available.
